

This Week's Learning

Week Commencing 28th September 2026

Messages	Messages this week: PE: This year it will be on a Wednesday and a Friday. Homework: This will come home on a Friday each week and will be due on the Wednesday the following week. Reading books: Reading books and records will be issued on the first day of Please remember to send them in every day. Water bottles: Please remember to have a fresh water bottle each day.
Maths	This week's learning will focus on squared and cubed numbers alongside starting to explore multiplication and division. We will also be celebrating Maths Week where we have lots of amazing activities in each subject area.
Reading	We will be looking at Asha and the Spirit Bird focussing on how the author creates mood and atmosphere by using inference. We are focusing on the key features of the page and finding and retrieving information accurately.
Writing	We are continuing our unit on Queen of The Falls where we are looking at how we describe an action scene so it is fast paced and exciting.
PE	We will be continuing netball this week developing our skills in finding a space for effective passing.
Music	We will be continuing to explore musical terminology listening and analysing a variety of different genres.
Art	We are continuing to look at abstract art focusing on the work of Pablo Picasso's cubism.
RE	We will be exploring the different challenges that life can bring us.
Science	We continue to explore classification, exploring our school grounds to collect data and presenting our findings clearly.
RSHE	The children continue to explore the theme of being a global citizen by understanding what our basic needs we all need are.
