

This Week's Learning

Week Commencing 12th October 2026

Messages	<p>Messages this week:</p> <p>PE: This week the children will need to wear kits Wednesday and bring their kits Friday please.</p> <p>Harvest: Please bring any donations to school by Thursday - Deliver them to the classroom or office.</p>
Maths	This week's learning will focus on long division and the order of number operations.
Reading	This week we are continuing to explore Dorling Kindersley's WWII book
Writing	We are continuing our unit on The Queen of the Falls planning and writing out 'Big Write' with Annie going over the falls , showing off all the elements we have been practicing this term.
PE	We will be continuing netball this week developing our game skills. Putting together the skills we have learned to make the game as smooth and accurate as possible
Computing	This week we will be looking at exploring how to work collaboratively over the internet.
Geography/ History	Continuing our exploration into WW1 we are exploring a time line of key events in WWI and how the war ended.
Music	We will be continuing to explore musical terminology listening and analysing a variety of different genres.
Art	We are looking at our last abstract movement, futurism. We will be trying to represent technology and movement in art.
RE	We will be exploring the different challenges that life can bring us.
Science	We will be investigating the link in plant groups and the environments they grow in.
Spanish	We continue to learn the vocabulary and build sentences to talk about being at school.

RSHE

The children will be looking into what **our rights and responsibilities** are for learning in school.
