

This Week's Learning

Week Commencing Monday 5th October 2026

Messages	Hello! We are looking forward to another excellent week in the EYFS. Reminder: We are holding our Phonics Information Workshop for parents of children in the EYFS this Friday (9th Oct). Please walk around to the front of the school and we will welcome you into the hall via the side gate by the AstroTurf from 8:50am. A very Happy Birthday to Daisy who turned 5 last week! A huge well done to our Star Pupil's last week: Nate and Archer!  
Maths	This week we will be counting in Maths with a focus the composition of numbers up to 4, knowing that bigger numbers are made up of lots of 1's and starting to subitise these numbers in different formations.
Phonics	This week we will learn the sounds CK, E, U, R. So far we have only learnt single letter sounds (phonemes) so this week will be our first time learning a double letter sound – ck (a digraph)!
Reading	Coming Soon...
Drawing Club	Coming Soon...
RSHE	This term our topic in RSHE is 'Being Me in My World' and this week's focus is 'Gentle Hands'. We will be discussing why it is good to be kind and use gentle hands. This lesson links nicely with our school rules and class story which we recite daily.
Child initiated	This week in child initiated the children will get to explore lots of enhancements linked to their phonics learning, book of the week and Maths focus.
Book of the Week	This week our book is 'The Colour Monster' by Anna Llenas and links beautifully to our topic of the week 'My Emotions'. We will be discussing how we feel in different situations, ways to identify our emotions and different ways to manage our emotions.
