

This Week's Learning

Week Commencing Monday 12th October 2026

Messages	Hello! We are looking forward to another excellent week in the EYFS. Thank you so much to everyone that came to our Curriculum Information Workshop on Friday, it was great to see so many of you and I hope you found it useful. A huge well done to our Star Pupil's last week: Evelyn & Jack 
Maths	This week, the children will build on their subitising skills. They will continue to use 'perceptual' subitising – instant recognition – by saying the number of sounds that they can hear, such as claps or drum beats, without needing to count. They will be encouraged to look closely at small quantities and observe whether the quantity has changed or only the arrangement.
Phonics	This week we will learn the sounds H, B, F & L. This is the last week of new learning for the term before we begin revising all the sounds we have taught so far. Last week the children learnt their first digraph (two letters that make one sound) – CK.
Reading	Coming Soon...
Drawing Club	Coming Soon...
RSHE	This term our topic in RSHE is 'Being Me in My World' and this week's focus is 'Our Rights'. We will be discussing our class charter and exploring what our rights are within the classroom. We have a right to feel safe at school, we have a right to learn, we have a right to speak and be heard, we have a right to be respected etc.
Child initiated	This week in child initiated, we are exploring all things autumn!
Book of the Week	This week our book is 'Sweep' by Louise Greig and Julia Sarda. In the story the main character sweeps away the autumn leaves and in the process sweeps away all the beauty that autumn brings. It explores the theme of appreciating nature and the beauty in the little things.
